MIXING WITH THE BEST

CANISTER LINER

Eliminate Flash Cure. Easy Cleaning

The Portamix Canister Liner offers:

- ***Easy Cleaning:** Removable liner for quick and convenient cleaning.
- ***Contamination Prevention:** Minimizes the risk of cross-contamination between different materials.
- ***Cost Savings:** Replace only the liner when worn or damaged, saving money in the long run.
- ***Versatility:** Compatible with various mixtures, eliminating the need for separate containers.

Features:

Weight:	2.9kg / 6.3lbs
Material:	LDPE
Code:	PH705

Suits all Mega Hippo & Pelican models
